THE BISHOP'S CHALLENGE:
Caring for God's Good Creation

The Bishop is challenging every congregation in the NJ Synod to take up the stewardship practice of caring for God's good creation. Find out more here:

"Why is God punishing me?" Does God not love me anymore?"

God's Steadfast Love

These are questions we sometimes ask when things get bad in our lives, our family, our anything. When things don't seem to go right, we search for reasons. There must be a reason - right? Some people believe that their personal misfortune is due to God's disfavor of them. That somehow, God no longer loves them. That God no longer cares what happens to them. This can cause a believer to sink into deep, deep despair.

As much as we want to believe we are merely “sinners in the hands of an angry God, take heart. God’s covenant, loving relationship with creation – including us – is forever. Yes, we can disappoint God with our behavior. But God’s love is everlasting. And that means forever. Jesus is proof of God’s forever love.

The bible says, “The steadfast love of the Lord never ceases, his mercies never come to an end; they are new every morning” (Lamentations 3:22-23)

How about that? God’s love for us, God’s mercies towards us – never ceases. They’re new, every morning! God loves YOU – forever!

We are always in need of assistance with Sunday worship! How will you serve?
